Our sincere sympathy to Zoreen, Shazam and family on the loss of your daughter and your friend Debbie. Words cannot express our deep feeling of loss and grief. Please accept our thoughts and prayers at this time, knowing that the sun will set on her in the evening. With this assurance given to us by our Lord and savior Jesus Christ. I am the resurrection and the life, he that believeth in me though you are dead yet shall you live, and he that liveth and believeth in me shall never die. From the Bullock family: Uncle Elton/Auntie Bibi /Ricky & family/Mark & family.

Debbie had a spirit like no other. She loved to be different and was always outgoing and spoke her mind honestly and freely, sometimes with no filter. These were qualities I admired about her. Through this life journey, there are many people who will touch our lives and truly make it different- Debbie did that for me. Although she is gone, the memories we all shared together is what keeps us going, and her spirit alive. You are now free of the pain and suffering and able to dance again like you longed to. There are no words to express how much you have impacted those around you. Hope you enjoy your reggae and soca in heaven! 🍷 You will be missed terribly Debbie! This is not good-bye. We will see each other again. We all love you!! 🍷🌹🌻

Dear cous Zoreen and Shazam, please accept our sincere and heartfelt condolences at this most difficult of times and please pass these feelings onto your family. I'm so sorry I could not be there in person to convey my condolences. Though I may be far away, know that my spirit and prayers are with you. For the short amount of times I got to meet Debbie, she was a loving and caring person and always loves family. With love and sympathy, Jamal and Carol

My dearest and sincerest condolences to Aunty Zoreen & Uncle Shazam along with your siblings Sally, Lilly, Bobby & Raymond and the entire family. I can't even imagine the grief and pain you all must be feeling, but please take some comfort in knowing that she now is free, strong, healthy & happy walking side by side with our Lord Jesus Christ. May the good Lord give you all the needed strength to get through the next few days and to move forward in a positive manner the way Debbie would want you to. RIP Debbie, sincerely Rick Bullock & Family

My deepest sympathy to Zoreen & Shazam for losing such a kindred spirited daughter (Debbie) She has impacted many lives including ours in Canada and all her friends on Facebook. I am sure others can say that they get a good chuckle from her witty posts. To her siblings, I can only claim to feel your pain, but please know that she is no longer suffering. God giveth, and God taketh. Let your prayers comfort your hearts. Debbie's name will live on. Until such time, Goodbye Debbie, with lots of cherished love. Aunty Zam.
