This boy was like a brother to me we went to the same school and have known each other for years and it hurts me that he's not around no more and I've never come to terms with my feelings but I hope he know I still think about him Rest in peace bro Jarred Khan

Adam, was a great person to everybody, having their backs through thick and thin. To see a best friend gone is heartbreaking as he was not only a friend, but like a brother to me. You will be forever missed and may your soul rest in peace.

I remember going to Liberty Ave with Adam and some friends and it was very fun. Adam has always been an adventurous kid since I met him in February of 2017. He was like a best friend/brother to me and I am really sad to see him go so fast. My condolences go out to the family. I love you, Adam. I promise you.. you will never be forgotten
