Dear Halima, Salima and Narie So so sorry to hear about your mom's passing. On behalf of my family, my mom and siblings we want you to know that our thoughts and prayers are with you and your family at this time. We all must admit that death is one true fact of life we cannot deny. Once we come we have to go but at the same time losing a mom is very hard to handle. I will miss her for the common stories we shared whenever we met. All through her struggles she lived a very humble and contented life with no regrets and she was blessed to enjoy a long life with her grandchildren and great grandchildren. She was one of the nicest person I knew. May God grant you and your entire family peace, faith, courage and acceptance to endure this sad moment. May her soul rest in peace.
