To the entire Latchman family from the entire Mahadeo family we are deeply saddened for the loss of our dear uncle Stokser. He was one of a kind, very humble, always soft-spoken and very strict, as young girls we used to sit on the table, he would say girls don't sit on the table. I've known him my entire life, he was a father figure to us, he was well-known amongst our entire family, my father and him would play cricket in their young days, whenever they go to a funeral they must go to Ramcharitar Rum Shop to have a few drinks, but Uncle Stokser would make sure my father/Nutsie reached home safe. He was that kind of a friend, always looking out for everyone, Uncle Stokser, I will miss you. Calling me to hear all the stupid jokes, two days before you passed away you called me, I never knew that would be the last. You will surely be missed by your entire family; we will always cherish our memories we have with you. Fly high, Uncle, and give Dad and Mom a big hug. Rest in peace 🙏

Aunty Kamla and Family, I am so very sorry I am not there to share in your time of grief. I am deeply sorry for your loss. My heart goes out to you and your entire family during this difficult time. I remember Uncle Stokser as a very kind and gentle soul. I remember him and Dad drinking, with Dad playing his guitar and they would sing those good old tunes. I hope they both would be drinking and singing together now. Please don't hesitate to reach out if you need anything and I am here for you, no matter what. I can't imagine how difficult this must be for you and your family. Please know that you are not alone in your sorrow. May you find peace and solace in the memories you shared with Uncle Stokser. Sending you strength and love during this challenging time, from me and the entire Mahadeo (Nutsie) family. Love Rajesh...

Kashera Latchman

Kashera Latchman has been a very dear friend to our family. He was always there to provide a helping hand when you need it. He was fondly known as "Long Hair", (because of his long flowing locks) by many of the folks who worked with him at the former LBI Sugar estate in Guyana. He had a knack for knowing something about everyone back home and despite the passage of time kept in contact with everyone he knew. So Long Hair buddy we will definitely miss your entertaining phone calls and friendship. We pray that you attain moksha and Bhagwan grants you eternal peace.
