Banush Ferhati

JUL 23, 1965 - MAR 27, 2024

It is with great sadness to announce that our beloved father/husband passed away at the age of 58. Banush was an amazing father, husband, brother, grandpa, and son. He was a great provider to his family. He is predeceased by his amazing wife Engjellushe, and his 3 kids Anita, Arlindi, and Arjola whom he loved and adored. He was the most hard-working person who provided for his family till his last day. Banush never failed in his role as our father. He was the perfect husband any woman could ask for. He loved his wife very much and always supported and protected her. You were the greatest grandpa to Amar and soon-to-be-born Alessia.

Banush dedicated 17 years to working as a carpenter for the US Embassy in Tirana, Albania. Banush dreamed of moving to the USA when he was younger. He achieved his dream when he moved to the USA on December 3, 2010. Banush loved watching sports Such as soccer, formula 1, and baseball. His favorite soccer teams were Roma and Spain. He was a huge fan of Formula 1 always and, always rooting for Mercedes. His favorite baseball team was NY Mets. Banush's biggest passion was his job as a construction worker. He loved his profession and was a master at it.

Banush will forever be missed. His smile lit up every room he walked in. His family is very proud and very thankful for everything he has done in his life. Banush is gone way too soon.
