I was deeply saddened to hear about Rose's passing. Although we didn't work in the same office, I had the privilege of seeing Rose whenever I visited the Atria office. She always greeted me with such a warm welcome and genuinely cared to ask how I was doing. Her kindness and thoughtfulness left a lasting impression on me. It is clear that Rose was a dependable and devoted employee, but more than that, she was someone who brought warmth and positive energy. I will truly miss her warm smile and the kindness she extended so effortlessly. May her legacy of caring for others and bringing joy to those she encountered be remembered by all who knew her. My thoughts are with you during this difficult time. With deepest sympathy, Lisa Steinberg Boulevard ALP Assisted Living Assistant Administrator/Director of Case Management

I'm sorry to hear of the passing of Rose. I will pray for the Voutan family. When I moved into Atria 2000 Rose was the one that showed me the apartments. I will pray for her family to be comforted by God during this time of bereavement. With my deepest sympathy
