Buddy you were the best and most kindhearted person I know. Your smiles were big and so was your heart. You will forever live in my heart and memories. I'm sorry you were taken so soon. Will miss your calls, your love and care and most of all your presence. RIP. All our family are waiting for you. Until we meet again...

We have so many memories. We have known each other over 40 years. Suresh you loved our daughter Jennifer and you were an amazing godfather. We will miss your phone calls and hearing your voice. Our prayers go out to your wife and children. Rest in peace our friend until we meet again. Buddy & Robin.
