Tessa was not only my Mother's home attendant on weekends back in the early 1990s she was also my friend! I loved and trusted her so much with my Mom. She became part of our family. My mom passed in 1995 yet Tessa and I remained in contact all these years! Rest in peace "my lady" as she used to call me. I will never forget her kindness. She was one of God's angels here on earth. Rest in peace my friend! ❤️🙏

Bee have a policy of "open door". She was Humble, Kind Hearted, Lovable and not the type to hold people up. Her kind is rare. Bee wouldn't turn you away. She was a mother, a friend, auntie and so many other titles. She always gave good advice. I recalled when I told her I was getting married and of course like any other parent she gave me her own words of wisdom. I asked her to participate by being one of the mothers that helped me to be the person I am today and without hesitation she did and wore one of my favorite colors. I had to share the news with Mommy and everyone else about your passing and they as well agreed, you are a rare gem. Bee we Love you in life and we will love you in death. Your kind is indeed rare and Sleep in Peace.
