Auntie Dularie was one of the most kind and caring person I ever knew. My earliest memory of her was when she took me to spend a weekend with her family on the West Coast Demerara. It was a big house near the Atlantic Ocean. I could remember telling her I would love to live there. We did visit her and Uncle Baba, one of my father's younger brother, on occasion when they lived in Canal #1 and later on at Garden of Eden, EBD. Of course time passed as we moved to Florida and when they relocated there in Davenport, FL, we visited with them at opportunity. They were always welcoming and happy to see us. Often she would cook and we ate together and their dessert was from a big tub of Bluebell ice cream. We really missed them when they moved back to Maryland but we know it was best for them. She was always in touch, calling ever so often and asking about everybody. I know her health was fading but never a word of complaint. She missed Uncle Baba a lot as she shared with me and I'm sure her pining for him hastened her life on this earth. It's my fervent hope they are reunited. They were among my favorite people and I will cherish the memories of what we had together. ❤️
