Dearest Robert your kindness, and the way you made everyone feel important and included will be missed. I spent the day thinking about all the fun times we had growing up and the warmth and laughter represents how you made me feel as your cousin. You had been one of the most supportive loving and genuinely kind people I have ever had the pleasure of knowing. You leave behind a family who loves you very much and will never forget you. Love you forever Robert. Wishing you the peace and joy you deserve. Love Suzie Mike and Trish
