It is still hard to believe that Gary or Nasci as we all knew him has left this world. It is because Nasci was larger than life. It is because Nasci had such a love of life and people. Nas always had a smile for you no matter the time. If you were his friend it was for life. Nasci was that loyal. Our family shared some wonderful times with Nasci and his wife Margaret in Guyana. Those times are precious memories which are permanently etched into our consciousness. He is gone from this world but he will never be forgotten. Our deepest condolences to Margaret, Shane and Shivon. The Ralph family in Toronto. Chris, George, Jackie, Judy, Maria and the late Agnes Ralph.

I remember him and Always will. He was like a father figure for Many of us, always looking out for youngers remember the first time I heard him cussing Steven after we went to Mc Kemzie Cricket Club I was picked as 12th man and just brought my cloths to the ground and not my other gears. Steven Camacho. Suspended me for 3 games because I did not brings. Which I appreciated the reason and learned from that experience Nas pulled me aside and scolded me after expressing his thoughts and as we knew Nas he was one to express his thoughts with a few bad words. Nas was a funny but sturm imdividual Will miss speaking to you especially. To Aunty Maggie, Shane and Shavone and Dennis and the emtire family my thoughts and Prayers to you all My family Greives with you all. will miss you Skipper. Sleep well and will see you on the other God willing Love you man.

Nasci was fun to be around, he always kept the conversation lively, loved his cricket, when playing against him he will try to get in your head, I was so happy I visited him couple months ago. RIP my brother.
