“ *Sending my deepest sympathy to Sanjay’s family through this tough time 😞
Sanjay was always such a bright & happy person. I used to call him “Superman”
because especially after long days of school - he managed to always make me
laugh by saying the most random things, telling me about his day & saying the
most random things.*

Everyone troubled us because they thought we were a couple 😭

One time he told my mom that he came to ask home to marry me 😭

May his precious soul Rest In Peace

Sending love x light ❤️

“ *My deepest Sympathy to Sanjay`s family at this time, he was a very close friend
of mine and i will always miss him. We had many happy times together, Sanjay
would walk in a room and get the entire room`s attention with his jokes and fun
behaviour, a great guy he was. Many times we would video call and just talk
about anything that comes to mind and Sanj would always find a way to make me
laugh, i really wish i had come see you and got to hang with you more. You
always said when i come up we would have so much fun, it`s one of my regrets
that i never got the chance to. I will miss you alot, Love you always. Sleep on my
brother. Find Peace*
